

Learn more about careers in health care with great rewards!

March 20-April 26, 2018

Mentorship Academy will meet from 2-4 p.m. Tuesdays and from 2-5:30 p.m. Thursdays for six weeks. Tuesdays will be class lecture, and Thursdays will feature guest speakers, life skills and job shadowing. Participants will be provided a uniform.

Interested students should apply before March 1, 2018. Applications are available in high school guidance offices or online. To apply:

- Complete application
- Write a 250-word essay stating how this program will benefit you, as well as any health care experience you have, what courses you enjoy, and your strengths and weaknesses.
- Ask two teachers/employers to email a letter of recommendation to rcampbel@nmhs.net
- High school transcript
- ACT score if taken - not required

Interviews will be at NMMC in Tupelo on March 5-9, 2018.

Following successful completion of the Mentorship Academy, each participant will receive certified nursing assistant training during the summer. This training will prepare participants for the certification exam and employment opportunities that can lead to an exciting career in health care.

**For more information, call (662) 377-3245 or (662) 377-6850.
