

"Pharmaceutical Representatives who wish to promote pharmaceuticals to NMHS *that are not already on NMHS's formulary* must have prior approval from the NMHS Pharmacy before any marketing occurs - i.e. meetings/discussions with NMHS staff or doctors about pharmaceuticals.

For approval, or questions about what's on NMHS current formulary, please email Margaret Lofton, NMHS Pharmacy, at [mlofton@nmhs.net](mailto:mlofton@nmhs.net). You must include the following data, otherwise your request will not be considered:

- your name
- company name
- cell phone number
- pharmaceutical product you are promoting
- Staff member/doctor with whom you'd like to discuss

You will receive an email back from Margaret denoting approval or non-approval. Your request will be reviewed as soon as practical. You should allow at least 3-4 business days for a response.

Thank you."

Let us know. We'll get final version posted on Reptrax.
